## English Lounge Kagurazaka – “Come and check it out!”

On April, the English Lounge (EL) on Kagurazaka campus opened. The Lounge is an innovative project offering TUS students a unique space where they can focus on English. Visitors to the EL can watch English programs on TV, access a wide variety of English books and manga, practice English conversation, and meet other students. The room is comfortable and visitors can relax, or use the tables and chairs for more concentrated study. Students can also consult with the EL's native-English staff member, Ms. Gillian Hudson, who is there to help students individually with advice, support, and English language practice. A former international exchange student herself, and ESL teacher, Ms. Hudson has both the experience and skills needed to assist students in their English learning adventures. The EL will also be running various events and one-stop study sessions over the next few months; so be sure to check out the EL events calendar regularly to keep up-to-date with developments.

Location: 4<sup>th</sup> Floor, Building No.1, Kagurazaka Campus

General Opening Times: Monday – Friday 9am-5pm

EL Native-English Staff Hours : 9am-5pm Wednesdays (sometimes other days)
