Organization Chart of the Tokyo University of Science

Department of Mathematics, Department of Physics, Department of Chemistry,
Department of Applied Mathematics, Department of Applied Physics*, Department of Applied Chemistry Faculty of Science Division II Faculty of Pharmaceutical Sciences As of April 1, 2023 Department of Pharmacy, Department of Medicinal and Life Sciences Department of Architecture, Department of Industrial Chemistry, Department of Electrical Engineering, Department of Information and Computer Technology, Department of Mechanical Engineering Faculty of Science and Technology

Department of Mathematics, Department Physics and Astronomy, Department of Information Sciences,
Department of Applied Biological Science, Department of Architecture, Department of Future and Applied Chemistry,
Department of Electrical Engineering, Department of Industrial and Systems Engineering,
Department of Mechanical and Aerospace Engineering, Department of Civil Engineering Faculty of Advanced Engineering

Department of Applied Electronics, Department of Materials Science and Technology,
Department of Biological Science and Technology, Department of Applied Physics,
Department of Medical and Robotic Engineering Design School of Management Department of Management, Department of Business Economics, Department of International Digital and Design Management Graduate School of Science Graduate Schools Graduate School of Mathematics and Science Education Department of Mathematics and Science Education* Department of Pharmacoscience, Department of PharmaceuticalSciences (Doctoral Course) Graduate School of Engineering Department of Architecture, Department of Industrial Chemistry, Department of Electrical Engineering, Department of Management Science*, Department of Mechanical Engineering, Department of Information and Computer Technology Tokyo University of Tokyo University of Science Science Foundation Graduate School of Science and Technology

Department of Mathematics, Department of Physics and Astronomy, Department of Information Sciences,
Department of Applied Biological Science, Department of Architecture,
Department of Pure and Applied Hemistry, Department of Electrical Engineering,
Department of Industrial and Systems Engineering, Department of Mechanical and Aerospace Engineering,
Department of Civil Engineering, Department of Global Fire Science and Technology Graduate School of Advanced Engineering Department of Applied Electronics, Department of Materials Science and Technology, Department of Biological Science and Technology, Department of Applied Physics Graduate School of Management Graduate School of Biological Sciences Department of Biological Sciences Special Training Course for Teachers Department of Mathematics Institute of Arts and Sciences Center for Teaching, Learning and Technology Center for Teacher Education Organization for Education Advancement Research Center for Math and Science Education Center for Research Promotion Research Division
Research Center
Joint Usage / ResearchCenter Organization for Innovation and Social Collaboration Research Institute for Biomedical Sciences Research Equipment Center Organization for Student Affairs Student Support Center Career Support Center Organization for Advancement of Internationalization Center for Promotion of Internationalization Center for Data Science Mathematical Experience Plaza The Museum of Science, TUS Math Sci Experience Center Center for Recurrent Education
